## ***FC ASPEN GROVE'S DRAMATIC PLANE CRASH***

Yesterday at 4:57 pm emergency service had a call from worker in Rig & Deal. He saw smoke coming behind the mountains. No one really knew what was going on and the Emergency Service of Aspen Grove sent ambulance to the place. First aid medic took this photo just after he arrived to the place. Soon everyone realized that it was FC AG's plane and the match between NSH united and FC Aspen Grove had to be cancelled. Now, as sad as it is, there's no FC Aspen Grove.

**NEXT PAGE FOR MORE**

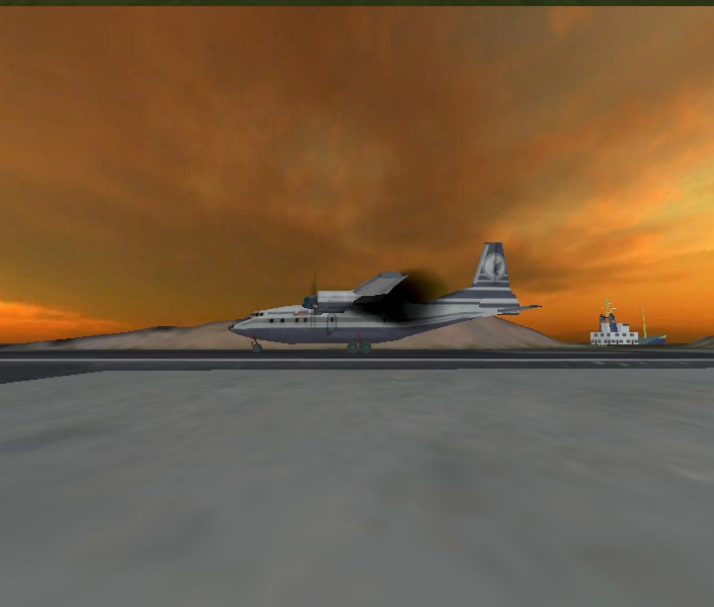

## **CRASH - STEP BY STEP**

4:34 pm

FC AG's bus. In this time players are waiting in the plane for take off.

4:52 pm

AG's Fan took picture with his camera just after take off. The plane is Antonov-12 which is made in Russia.

5:10 pm

Our News copter went to the crash place. Everyone were dead and there was no way to help them anymore.

# SCANIA SKAPBIL 6X2 ON TEST

The Cabin

When I first sat behind steering wheel it felt really bad. No features... Nothing... But when driving starts it feels perfect. You feel like you're in heaven when tyres turn and sliding starts. "Rigs of Rods is so cool" has made it again! But exactly he has made the new skin, the real applause belongs to "Son of Lollo". I just love it.

+ Sliding  
+ Feeling

- No features

7/10

# MILITARY AIRSHOW IN FLATMAP

National army of Rigs of Rods decided to keep an airshow because they wanted people know something about airforces in Army. Almost 100 people came to see this unusual show.

P-38 Lighting

Mig-25

## CAR PART

### F1 Ferrari

+ Formula style

- Not speedy as expected

[Download](#)

6/10

### CITROEN GS

### Citroen GS

+ Classic model

+ Looks nice

+ Good steering

- Not fast

[Download](#)

9/10

# ***FUTURE OF RIGS OF RODS***

What is the future of RoR? Maybe some big company will do it with better graphics? Think it.

Just think it. What would it feel like to play RoR with NG graphics? Maybe in Ps3 or Xbox360? That is a dream.

- Thousands cars
- Many terrains like London and RoR originals.
- High Graphics
- Good walking mode. Able to carry stuff.
- **MANY MORE!**

We all like it to come true and we really hope that makers of RoR are right now reading this.

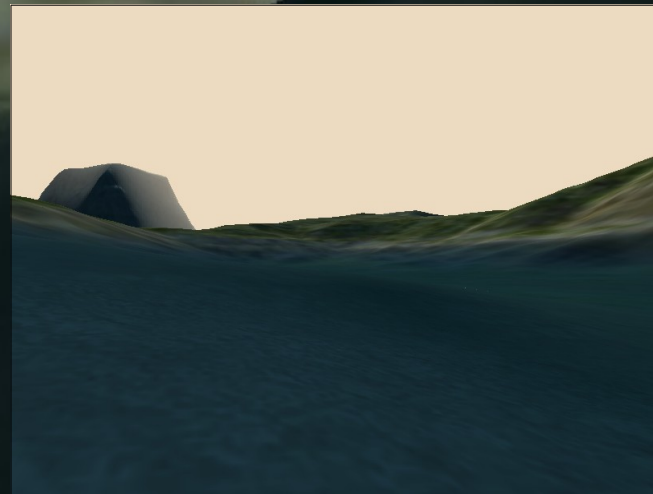

# Kyles Terrain

Terrain made by Jeepboy96 using L3DT. But there's not much in it. No working water, no Rig & Deal. But golden rule is used: Fun.

+ Fun

- No Rig & Deal
- No working water
- Some cars won't work

4/10

This is "water"...

# MAZ 203 in Crash Test

Our Destination:  
Airport wall

Cabin before crash

Cabin after crash

It looks bit messy when you look at cabin pictures. But actually it isn't. Maz's stamina is over 92,50%! Stunning. I guess it's really strong car.

# ***SPORT GAMBLERS***

Hello community! Today I'm showing you the new "Sport Gamblers" which will be in every issue of this paper.

So it's up to you. You're "gambling" in News paper.  
It's absolutely FREE.

In "Sport Gamblers" we are gambling about football (soccer). Rules are simple. There's 6 teams which will be introduced in next page. There's also 3 match ups which you have to gamble for. Just send to me (hedberg) Personal Message about results you're gambling for and that's it. So example:

Man Red – Man Blue 4-1

Team A – Team B 5-0

GG AC – FC GG 1-1

If you have one match right = 1 point

If you have two matches right – 2 points

If you have three match right – 3 points

And now in the first place you're available to gamble for season top-3. So send me (hedberg) message before issue 4 arrives about seosen top-3. For example:

1. Man Red 2. Team A 3. GG AC

---

As a reward respect and really big interview and presentation on RoR Start.

Hedberg (RoR Repository)
